

For the past 43 years, the Ionia Community Theatre has been dedicated to the presentation of dramatic and musical productions for the Ionia community. It all started in 1966 with a small handful of drama enthusiasts that held a series of workshops that led to the performing of three one-act plays on the stage of the Ionia Elks Club in 1967.

During the late 1960's and 1970's ICT did a variety of dramatic and comedic plays. The first musical "Mr. Scrooge" was produced in 1974 at the First Presbyterian Church. In 1981, ICT produced it's first major musical "Little Mary Sunshine". Since then, a continuous string of successful musicals and plays have been produced by ICT.

ICT is committed to providing scholarship funds to high school seniors pursuing the performing arts in their higher education. Since 1982, over \$30,000 has been provided as scholarship funds to local students. Many of those students have performed in various ICT productions.
